

HATFIELD TOWNSHIP

EXTERIOR STRUCTURE PERMIT PROCEDURES

An Exterior Structure permit is required for replacement, renovation or alteration of roofs, siding, stucco, windows and doors.

PART I – Location of Property – Complete address including city, state and zip code must be provided on all applications.

PARTS II Thru VII – Complete this section.

PART IX – Sign and date application. If property resident is not the owner of the property, a notarized statement indicating the owner's approval of the proposed construction must be submitted with the application. Provide phone numbers where property owner/resident and or contractor may be reached. Contractors, performing commercial work, must be registered with Hatfield Township annually.

PLANS AND SPECIFICATIONS

- Two (2) copies of all plans and specifications must be submitted with all applications for Exterior Structure permit.
- **NOTE:** All window replacement or alteration must meet egress requirements.

ADDITIONAL INFORMATION

FEES – Permit fees must be submitted with the permit application. If paying by check, please make check payable to “Hatfield Township”.

REVIEW – The application will be reviewed by the Code Enforcement and Zoning Departments for compliance with all Hatfield Township codes and ordinances.

PERMIT GRANTED – **Work may not start until a permit has been approved and granted.** The permit cards are to be displayed so as to be visible from the street.

PLUMBING, ELECTRICAL AND HVAC – All plumbing, electrical, heating and air conditioning contractors and/or their personnel must be registered and provide a Certificate of Insurance verifying Worker's Compensation coverage, and Federal or State Employer Identification Number (EIN). In addition, each contractor must obtain the appropriate permits for the work to be done. All electrical work must be inspected by United Inspection Agency.

INSPECTIONS – Call the Township Safety and Code Enforcement Department (215-855-0900) at least 24 hours in advance to schedule each inspection. Responsibility for notification for inspections at the various stages of construction lies with the applicant and/or contractor. If the appropriate inspections are not requested, uninspected work will not be granted final approval.
